

CHILDREN'S ACADEMY, GHAZIABAD SESSION 2025-26

SUMMER HOLIDAY HOMEWORK CLASS V

Sustainable Development Goals: 12 Responsible Consumption and Production

THEME
AWARENESS TO ACTION: GO GREEN!

A Message from the Vice Principal

Dear Students,

Summer vacation is a wonderful time to relax, explore your interests, and learn beyond the classroom.

This year, your holiday homework comes with a meaningful message – “Awareness to Action – Go Green.”

It's not just about learning why we must protect nature, but also about taking small steps to care for our Earth.

From saving water and planting trees to reusing things and saying no to plastic – every little action counts. This assignment is your chance to become a Green Hero and show how small changes can make a big difference.

I'm looking forward to seeing your creative ideas and thoughtful efforts to build a cleaner, greener tomorrow.

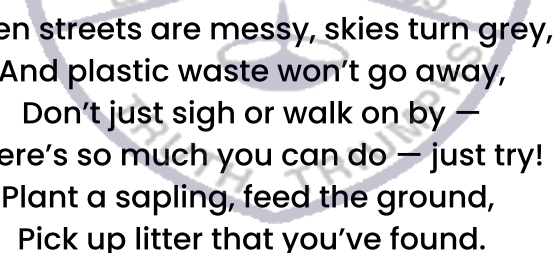

Wishing you a joyful and enriching summer!

INSTRUCTIONS FOR HOLIDAY HOMEWORK

- *Do not get the holiday homework done by anyone else.*
- *Parents must act as guides and facilitators but not substitutes to do the work. It must be the effort of the child.*
- *The use of internet for doing the tasks should be strictly under the supervision of parents.*
- *Prepare an A4 file folder and arrange your homework in it.*
- *The homework must be done systematically as per the given instructions on A4 size sheet.*
- *All A4 sheets should be neatly labelled and the name, class, section of the child should be mentioned clearly.*
- *The last date of submission of holiday homework is July 4, 2025.*
- *Homework will be assessed for neatness, presentation, creativity and timely submission.*
- *Revise the syllabus covered so far in all the subjects.*

Be the change, step up with grace—help make the world a cleaner place.

WHAT YOU CAN DO

When streets are messy, skies turn grey,
And plastic waste won't go away,
Don't just sigh or walk on by —
There's so much you can do — just try!
Plant a sapling, feed the ground,
Pick up litter that you've found.
Say "no" to plastic, reuse with care,
Keep our parks and oceans fair.
Recycle cans, sort paper too,
Turn off lights not in use by you.
Talk to friends, spread what you know,
That's how real change starts to grow.
Nature gives us all we need —
It's time we help it to succeed.
With hands and hearts, both big and small,
Let's care for Earth — it's home to all!

THEME:

Awareness to Action: Go Green!

This year, our summer activities and learning goals are designed to align with the theme “Awareness to Action,” which connects closely to **Sustainable Development Goal 12 – Responsible Consumption and Production**.

We are nurtured by nature, and without it, we cannot survive. However, awareness alone is not enough — only by turning awareness into meaningful action can we truly nurture nature and secure a better future.

EMPOWERING ENGLISH

PLEDGE FOR THE PLANET

Let’s turn what we know into what we do—because every action matters!

Write a short Eco Warrior Pledge on an A4 sheet showing what actions you will take to protect nature.

Guidelines:

- Start your pledge with: “I pledge to...”
- Include 3 to 5 specific, realistic actions you will commit to — such as:
 - Saving water by turning off taps
 - Refusing single-use plastics
 - Walking or cycling short distances
 - Recycling at home or school
- Add a rhyming line or slogan that reflects your pledge in a fun or memorable way.
- Decorate your pledge using eco-friendly symbols (like trees, leaves, Earth, recycling signs).
- Use colors that represent nature—greens, browns, and blues.
- Be neat, creative, and thoughtful in your design.

HARSHATI हिंदी

पर्यावरण की सुरक्षा, जीवन की रक्षा

आजकल हमारे शहर में कचरा उठाने वाली गाड़ी रोचक गीत के साथ आती है और सूखे व गीले कचरे को अलग-अलग डालने के लिए प्रेरित करती है। आप भी दोनों तरह के कूड़ेदान बनाकर उन पर स्वच्छता से सम्बंधित एक नारा लिखें।

बनाने की विधि:

- घर पर मौजूद 2 खाली डिब्बों को अच्छी तरह धोकर साफ करें।
- उन पर रंगीन कागज़ चिपकाकर सजाएं।
- उन पर लेबल लगाएं – सूखा कचरा या गीला कचरा।
- इन्हें अपनी रचनात्मकता से सजाएं – लेकिन याद रखें, आप जो भी सामग्री इस्तेमाल करें वह रीयूज़ की गई हो।
- तैयार कूड़ेदानों की 1-2 तस्वीरें खींचें और A4 शीट पर लगाएं।
- नीचे एक पंक्ति में लिखें:
- "मैंने यह कूड़ेदान क्यों बनाए और इससे मुझे क्या सीख मिली?"

सामग्री:

- 2 पुराने डिब्बे (बिस्किट, चाय या कोई प्लास्टिक कंटेनर)
- इस्तेमाल किया गया रंगीन कागज़
- सजावट की सामग्री (पुरानी बिंदी, रिबन, बटन, अख़बार की कतरन आदि)
- चिपकाने के लिए फ़ेविकोल या ग्लू
- रंगीन पेन या मार्कर

MAGNETIC MATHS

ECO CHOICES, SMART SAVINGS

In this task, you are asked to plan a shopping list for one week, but with a focus on eco-friendly alternatives.

Look for eco-friendly alternatives to common household items. For example, choose reusable water bottles instead of disposable plastic ones, cloth shopping bags instead of plastic bags, energy-efficient light bulbs instead of regular ones, bamboo toothbrushes instead of plastic ones, and compostable plates and cutlery instead of plastic. Once you have your alternatives, make a weekly shopping list by writing down all the items you typically buy and replacing each with a sustainable option. Ensure that the products you select are durable, reusable, and have minimal environmental impact to support a greener lifestyle.

👉 Guidelines:

- Calculate the total cost and compare it to a non-eco-friendly shopping list.
- How much money can you save while saving the planet?
- What are the environmental benefits of the eco-friendly items?
- Write your findings on an A4 sheet.

SPECTACULAR SCIENCE

LIFE IN A SHELL

Let's celebrate World Environment Day on 5th June by planting something green in a fun and creative way! Nature gives us so many things — let's give something back to nature. This activity will help you learn how to reuse natural materials and grow your own little plant.

👉 Guidelines:

- Save the shell of a coconut after drinking the water.
- Take help from a parent or guardian to cut the shell into two halves.
- Fill one half with soil and plant seeds of your choice — such as soya bean, chickpea, wildflower, red chilli, or garlic.
- Water it daily and keep it in a spot with sunlight.
- Give your plant a name and take care of it like a new friend!
- Watch how your small effort turns into a growing, living reminder of your love for the Earth.
- You can also decorate the coconut shell using natural or waste craft materials to make it colourful and creative.
- Share the picture of your plant with your class teacher.

SASSY SOCIAL SCIENCE

WATER WARRIORS ON DUTY

Water is precious, and it is our duty to save every drop! This summer, gather 3–4 of your friends and form a Water Warrior Patrol.

Guidelines:

- Visit 2–3 local places (e.g., a park, temple, community tap, etc.).
- Watch for any signs of water wastage or careless use.
- If you see wastage, politely speak to the person or caretaker and ask them to stop.
- Suggest simple solutions like turning off taps, fixing leaks, or using buckets instead of pipes.
- Click 2–3 photos of your team in action (while observing, discussing, or helping fix an issue).
- Write 4–5 lines about your experience on an A4 sheet and add pictures to it.

GREEN GIFT

GREEN GIFT FOR MY HERO

This Father's Day – 15th June, let your love for your dad and the Earth shine together! Instead of buying something, create a handmade gift using natural or recycled materials. It's your chance to show gratitude and take action for the planet.

Guidelines:

- Make decorated flower pot using waste jars or cans or a recycled greeting card from leftover craft paper or a photo frame made from cardboard or ice cream sticks.
- Decorate your gift using paints, markers, or waste decor items.
- Click a photo of you giving the gift to your father and share it with your class teacher.

MOVE TO MINDFULNESS – YOGA IN ACTION

On International Yoga Day – 21st June, take action to improve your health and well-being!

- Practice 3–5 simple yoga poses (e.g., frog pose, butterfly, cobra).
- Ask family members to join and turn it into a mini "Home Yoga Session."
- Click a photo of you doing yoga and share it with your class teacher.

Dear Parents,

People from various regions speak different languages, but what truly matters is speaking any language correctly. Among the many languages, Hindi and English are particularly important for our children to master. Since English is a universal language understood worldwide, it is essential for our children to become proficient in it. To achieve this, we kindly request your full support and cooperation. Please consider the following guidelines:

1. Encourage English Conversations: Speak with your child in English and foster a reading habit.
2. Read and Discuss: Read storybooks with your child, and after finishing, engage in a discussion about the story to develop understanding.

Our teachers are focusing on helping children use simple words, phrases, and sentences in daily communication, such as:

- May I go to play?
- May I borrow your pencil/eraser/sharpener?
- I have finished my work. Ma'am, may I go to the washroom?
- Ma'am, may I drink water?
- Ma'am, may I come in, please?
- Ma'am, may I wash my hands?
- Ma'am, may I sit in the front row as I can't see from the back?
- Ma'am, please repeat the concept; I'm unable to understand it.
- Ma'am, I have lost my shoes/blazer/tiffin box/water bottle, etc.
- Ma'am, I came late as I missed my bus.
- Ma'am, I'm sorry. I forgot to bring my book/notebook/pencil/eraser/drawing book, etc.
- Ma'am, I'm sorry I couldn't complete my homework as I was unwell.
- Ma'am, may I borrow a pencil/eraser/ruler, etc., from my partner as I've forgotten it today?
- I am sorry for the delay.

Children can be encouraged to use basic words and sentences in daily conversations at home. Here are some examples:

- Mummy, can I help you in the kitchen?
- Mummy, can I set the table today?
- Papa, can I help you wash the car?
- Mummy, can I bring you a glass of water?
- Mummy, may I have some more ice cream from the fridge?

- Papa, please teach me how to ride a bicycle.
- Mummy, should I chop the salad today?
- Mummy, I'll make a cup of tea for you. Where are the tea leaves?
- Didi, can you help me find my English notebook?
- Papa, can we go cycling today?

Additionally, encourage them to greet people properly:

- Hello Uncle / Aunty, how are you?
- Good Morning, Good Afternoon, Good Evening, and Good Night to parents and elders.

If we, as teachers and parents, make a consistent effort and pay attention to these simple yet important aspects, we can help our children learn, understand, and speak English more confidently at an early age.

Take advantage of the summer break and enjoy spending quality time with your children.

Best Wishes
Children's Academy
